

PROTECT YOUR PET FROM HEARTWORM

Start at 8 weeks old and give monthly for life

Heartworm is transmitted by mosquitoes

Heartworm prevention is Rx only, never OTC

If your pet is 6 months or older, a heartworm test is required

Heartworm prevention is \$10/month or less at our low-cost vet clinic

Test for heartworm yearly

Heartworm treatment is very expensive

CATS NEED PROTECTION, TOO

- **There is no treatment for heartworm in cats**
- **Prevention is the only option!**
- **Advantage Multi and Revolution protect against both fleas and heartworm**
- **Start at 8 weeks old and give monthly**
